All contracts will be performed in accordance with the General Conditions of the Nordic Association of Freight Forwarders (NSAB 2000), with the exclusion of §27.3 To the extent that the forwarders liability is not subject to any compulsory legislation, the forwarder shall always be entitled to invoke the limitations of liability laid down in §5 and §§ 15-22 NSAB 2000. This provision shall take precedence over any contrary or conflicting provision in NSAB 2000.
