Innovators in Instrumentation Technology

### Validator Certification

**ISO 17025  
Accredited**

This is to certify that the **InstronTek, Inc. Validator Serial Number 06161343** densities were derived using CPN (MC1-DR), Humboldt (5001), InstronTek (3500), and Troxler (3430) master moisture/density gauges calibrated on National Institute of Standards Technology (NIST) traceable set of master standard blocks. The density of the master blocks used to calibrate the master gauges were determined using scales and calipers traceable to NIST in accordance with InstronTek procedure CP-002, accredited to ISO/IEC 17025:2005. The Validator densities were determined in accordance with InstronTek procedure CP-015, accredited to ISO/IEC 17025:2005. The metrology procedures utilized for the calibration of the calipers and suspension scales conform to and satisfy the requirements of ISO/IEC 17025, ISO 10012-1, QS 9000 and ANSI/INCSSL Z540-1-1994. The calibration procedure for the Validator is open for review at InstronTek, Inc. located at 5908 Triangle Drive, Raleigh, NC 27617.
