All services rendered are subject to the General Conditions of the Nordic Association of Freight Forwarders (NSAB 2015). As contracting party cf. § 3 B the freight forwarder's liability for loss of, deterioration of, or damage to goods are for delay is limited in accordance with §27 last paragraph - when applicable. Otherwise in accordance with § 17,18,19 and 21. For all other loss to SDR 100,000 in respect of each assignment (§21). As intermediary cf. §3 C the freight forwarder's liability is limited to SDR 50,000 in respect of each assignment and totally for all customers involved in the event of any one occurrence to SDR 500,000 (§24). For storage, the total liability is limited to SDR 500,000 for all customers involved in the event of any one occurrence to SDR 500,000 (§ 25). Special attention is directed to the network clause (§ 2); Claims against the freight forwarder are in Denmark, Sweden and Finland statute-barred after one year (§26) and the lien on goods (§14) applies to both current and previous claims. FREJA Transport & Logistics recommend our customers to secure the total value of the goods by issuing own insurance.
