Note to Supplier:

If requested, the vendor shall arrange for goods to be inspected and, in such cases, provide to TAQA a completed Inspection Release Note. In the event TAQA requests for third party inspection by a designated company, the Inspection Release Note shall be signed off by the third party inspector and the inspection report shall be included in the documentation provided to TAQA. A certificate of quality or compliance and any technical data sheet to be provided at least 4 days in advance of shipping the goods. If supplying piping scope materials such as fittings, seamless pipes, stud bolts + nuts; materials testing certificates & heat numbers shall be provided.

Miscellaneous:

All prices shown herein are firm. This Purchase Order incorporates the Terms and Conditions attached hereto as Schedule 1. Capitalized terms not defined herein shall have the meanings given to them in the Terms and Conditions. All references to currency and pricing in this Purchase Order are deemed to be in **USD**. All correspondence relating to this Purchase Order must reference the Purchase Order Number and the date and be sent to the attention of the Buyer named above.

Supplier Acceptance:

Supplier agrees to perform the Work specified herein in accordance with the Terms and Conditions. Performance of the Work by Supplier shall

constitute Supplier's acceptance of the Purchase Order and the Terms and Conditions attached hereto. For clarity, these Terms and Conditions shall supersede any other terms and conditions as may be attached to any field service tickets or work orders as may be provided by Supplier at the Delivery Point and TAQA expressly rejects any such terms and conditions, irrespective of whether such documents are signed by TAQA.

To avoid invoice payment delays, please ensure all invoices include the following information:
