"Please note that you are not permitted to re-export any Flowserve products for end-use in Iran, North Korea or Syria without express written permission from Flowserve.

It is your obligation to comply with all applicable national and international export, re-export, and/or economic sanctions laws and regulations and to obtain necessary government approval prior to the export and/or re-export of Flowserve products and/or technology. Please be aware that diversion of Flowserve products is strictly prohibited. Failure to comply with all applicable export, re-export and/or economic sanctions laws and regulations may result in serious consequences including, without limitation, monetary fines, loss of export privileges, imprisonment and/or blacklisting by government bodies. For more information, contact your local Flowserve Customer Service Representative.

Flowserve reserves the right to withdraw any offer or to terminate an ensuing contract with immediate effect in case any sanctions are issued against the Buyer and/or end-customer by US, European or any other governmental agencies. Any sanctions issued by US, European or any other governmental agencies which have an impact on either Party's performance under an ensuing contract shall be deemed to be an event of Force Majeure for the purpose of such contract."
