Unless notified or agreed in writing otherwise, the attached Orgalime General Conditions for the Supply of Mechanical, Electrical and Electronic Products - S2012 - govern all our tenders for and agreements on all our deliveries and services. Any other conditions are herewith explicitly rejected by us. [General conditions](#)

In the event that Covid-19 causes shortages in the supply chain, shortages in supply of labor, delay in availability of materials, site closure, or changes in site operating procedures this will be deemed a relevant event in respect of delays to the program and SES will be entitled to a fair and reasonable extension of time to the completion date in relation to such relevant event(s)

**EXPORT COMPLIANCE:**

Buyer agrees to comply with all applicable National and EU export control laws and regulations. Diversion of SES International BV supplied products contrary to these laws is prohibited. A completed End Use Statement may be required to confirm ultimate end use of products.

Kind regards,

SES International BV
