As intermediary cf. § 3 C the freight forwarders liability is limited to SDR 50,000 in respect of each assignment and totally in the event of any one occurrence to SDR 500,000 (§ 24). For storage, the total liability is limited to SDR 500,000 for damage occurring in the same occasion (§ 25). Special attention is directed to the network clause (§ 2); claims against the freight forwarder are statute-barred after one year (§ 28); and the lien on goods (§ 14) applies to both current and previous claims.
