If mutually agreed and the agency/customer agreement is signed, assumed payment terms are 30 days with credit limit set for each customer individually. This means all invoices are due to be paid **WITHIN** the 30 days period. Invoice date is the date we get a confirmed order from the client. In the event of payment delay, LATE PAYMENT fee will be added in the amount of 5% on a monthly basis of any billings older than 30 days. 5% will be billed on the 31st day of invoice date. Additional 5% will be added on 61st day etc.
