All assignments will be performed in accordance with the General Conditions of the Nordic Association of Freight Forwarders (NSAB) with the exclusion of § 25 A, first section. Infranordic AB does not insure customers goods for the risk of fire, water and burglary during storage. To the extent that the forwarders liability is not subject to any compulsory legislation, the forwarder shall always be entitled to invoke the limitations or exonerations from liability laid down in NSAB 2015. This provision shall take precedence over any contract or conflict provision in NSAB 2015
