Lift Freight Services acts only as a "forwarder" within the meaning of Section 8:60 of the Dutch Civil Code, regardless of how we are identified on any document by a third party and whether transportation related terms are used including, but not exclusively, transport, carrier & freight. In all rates, a freight forwarder's commission rate due to intermediation is included, unless mentioned separately. Our liability is exclusively governed by the Dutch Forwarding Conditions 2018 and not by any transport law regulation. All our (other) services, such as storage, value added services and customs formalities, are subject to the aforementioned Dutch Forwarding Conditions (with the exception of Article 23). These conditions can be found at: www.liftfreight.com/tools/conditions. General terms and conditions of our customers are hereby expressly rejected. Dutch law applies and all disputes shall be settled by the competent court of Rotterdam.
