For all commodities, technology or software previously exported from the United States, the user must comply with the Export Administration Regulations. Diversion of these items to any other country is prohibited. The Montreal or Warsaw Convention may apply and will govern and in most cases limit the liability of Federal Express for loss or delay of or damage to your shipment. Subject to the conditions of the contract on the reverse.

EXTRACT of Federal Express Conditions of Carriage for EMEA. Please read the complete version of our Conditions of Carriage for EMEA on www.fedex.com. **IMPORTANT NOTICE:** These Conditions of Carriage EXCLUDE LIABILITY on the part of FedEx and its employees or agents for loss, damage and delay in certain circumstances; LIMIT LIABILITY to stated amounts where liability is accepted and REQUIRE NOTICE OF CLAIMS within strict time limits. Senders should note these Conditions carefully and where necessary obtain insurance cover in order to protect their interests. 1. APPLICATION 1.1 These Conditions apply to the carriage of Shipments from and between selected countries in Europe, the Middle East, the Indian Subcontinent and Africa ("EMEA") and from and between specified locations within selected countries in EMEA, utilizing the following services or service options of FedEx (if and where available): FedEx Economy, FedEx Europe First, FedEx International Next Flight, FedEx International First, FedEx International Priority, FedEx International Priority Freight, FedEx International Priority Plus, FedEx International Broker Select, FedEx International Priority Direct Distribution, FedEx International Economy, FedEx International Economy Freight, FedEx International Mail Service, FedEx 1Day Freight, FedEx Priority Overnight and FedEx Standard Overnight. These services may be modified by FedEx from time to time. Upon request, customers can be informed about the areas that are served by FedEx. These Conditions do not apply to intra-United Kingdom and intra-India Shipments for which separate conditions of carriage apply. 1.3 In case of conflict between our Conditions of Carriage for EMEA and the terms and conditions on any FedEx (Air) Waybill, manifest, shipping label or other transit documentation, our Conditions of Carriage for EMEA control to the extent that they do not conflict with the mandatory rules relating to liability for international carriage provided by the Warsaw or Montreal Conventions and their respective subsequent Protocols, other applicable conventions or any applicable tariff or, for Shipments carried from and between specified locations within one country, with the mandatory rules relating to liability for carriage provided by the laws of that country. 1.4 These Conditions (which term includes those agreements and conventions expressly referred to herein) represent the entire agreement between the parties and, subject to Section 1.3, shall prevail over, exclude and supersede any other terms or conditions, oral or written, whenever appearing or made and, in particular, any terms or conditions sought to be incorporated by the Sender or any other written or oral statements concerning these Conditions. 2. RATES Rates applied shall be those rates applicable and in force at the time that the contract of carriage is made. 4. BILLING 4.1 FedEx reserves the right to increase any amount unpaid within 15 days of the invoice date, as of right and without prior notice of remedy, by 15% (or such amount as applied by FedEx per the local applicable payment terms and conditions) as liquidated damages for administrative costs, and a yearly interest of 6% above the European Central Bank Rate (or such rate as applied by FedEx per the local applicable payment terms and conditions), to be calculated per commenced month or the maximum allowed interest rate under the applicable legislation, if lower. 4.6 If applicable, duties and taxes may be assessed on the contents of Shipments. 4.7 REGARDLESS OF ANY PAYMENT INSTRUCTIONS OR PROVISIONS TO THE CONTRARY, THE SENDER SHALL ALWAYS REMAIN ULTIMATELY LIABLE FOR THE CHARGES INCLUDING ANY DUTIES AND TAXES, IF ANY. 4.8 For currency conversion, FedEx may apply a conversion fee. Please read our Conditions of Carriage for EMEA. 5. INVOICE ADJUSTMENTS / DIMENSIONAL WEIGHT 5.1 If the service selected or weight entered is incorrect, FedEx may make appropriate corrections to the (Air) Waybill and appropriate adjustments to the invoice at any time and will be entitled to charge a special handling fee for having to make such corrections and amendments. 5.3 Charges may be assessed based on dimensional weight. 7. RESTRICTIONS 7.1 Package size and weight restrictions vary by country or FedEx services. Please see www.fedex.com and our Conditions of Carriage for EMEA. 8. ITEMS UNACCEPTABLE FOR CARRIAGE 8.1 The following items are not acceptable for carriage to any destination: money, explosives, human corpses or body parts, cash on delivery shipments, firearms, plants and seeds, perishables, pornography, hazardous waste, dangerous goods, dead or live animals, etc. For a complete list of unacceptable items please read our Conditions of Carriage for EMEA. 10. PACKING AND MARKING 10.1 All Packages must be prepared and packed by the Sender for safe transportation by air and road assuming ordinary care in handling in an express-transportation environment and in compliance with all applicable laws, regulations and rules, including those governing packing, marking and labeling. 10.2 FedEx shall not be liable for any damage arising out of changes in temperature or pressure. 11. INSPECTION OF SHIPMENTS 11.1 FedEx may, at its sole discretion, or upon the request of the competent authorities, open and inspect any Shipment without notice at any time, and shall incur no liability of any kind therefore. 11.2 In accordance with applicable regulations in various jurisdictions FedEx is required to undertake (random) X-ray screening. Sender and Recipient hereby waive any possible claims for damages as a result of screening. 12. CUSTOMS CLEARANCE 12.4 In the event of any failure to provide and/or complete accurately all necessary customs and export laws documentation (including the (Air) Waybill) FedEx will assume no liability to the Sender or any other person for any loss, expense or delay due to the Sender's failure to comply with this provision. 12.6 FedEx reserves the right to assess extra charges for customs clearance or for services ancillary to the customs clearance of Shipments. 13. DUTIES AND TAXES 13.1 If and where applicable, without prejudice to Sections 4.6 and 4.7, FedEx may elect to advance on behalf of the party responsible for payment thereof ("the Payer"), any duties and taxes as assessed by Customs. 13.3 Any Shipment may be delayed if FedEx is not able to obtain satisfactory confirmation of arrangements to reimburse it for amounts to be advanced for duties and taxes. 13.4 If FedEx advances duties and taxes it reserves the right to assess a surcharge. 14. ROUTING AND DELIVERY 14.2 FedEx may deliver to the Recipient at the address mentioned on the (Air) Waybill, or to someone other than the person or entity named on the (Air) Waybill having apparent authority to accept the Shipment in the name and on behalf of the Recipient. The Shipper recognizes and explicitly accepts that in certain destination countries, the delivery may be made to a third party or to a letterbox or any other place accessible to the Recipient. 17. MONEY BACK GUARANTEE POLICY Please see our Conditions of Carriage for EMEA. 18. DECLARED VALUE AND LIMITS OF LIABILITY 18.1 Unless the Sender enters a higher Declared Value for Carriage on the (Air) Waybill and pays the required fee, the liability of FedEx is limited to the higher of a) the amount provided by the applicable local law, or b) € 100 per kilogram, or c) US\$ 100 per kilogram, or d) US\$ 100 per kilogram, or e) US\$ 100 per kilogram, or f) US\$ 100 per
