Flowserve's non-US subsidiaries have completed a phased-withdrawal from conducting any business in the Iran and Syria markets, effective from the 31st December 2011. Consequently, you are not permitted to re-export any Flowserve products for end-use in Iran, North Korea or Syria without express written permission from Flowserve.

It is your obligation to comply with all applicable national and international export, re-export, and/or economic sanctions laws and regulations and to obtain necessary government approval prior to the export and/or re-export of Flowserve products and/or technology. Please be aware that diversion of Flowserve products is strictly prohibited. Failure to comply with all applicable export, re-export and/or economic sanctions laws and regulations may result in serious consequences including, without limitation, monetary fines, loss of export privileges, imprisonment and/or blacklisting by government bodies. For more information contacts your local Flowserve Customer Service Representative
