Received, subject to the classification and tariffs in effect on the date of the issue of this Bill of Lading, the property described above in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as indicated above which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed as to each carrier of all or any of said property over all or any portion of said route to destination and as to each party at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the bill of lading terms and conditions in the governing classification on the date of shipment, and shall be subject to all the terms and conditions of the United States Carriage of Goods By Sea Act of 1936 if it is a water shipment. Shipper hereby certifies that he is familiar with all the bill of lading terms and conditions in the governing classification and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns.

This is to certify that the above articles are properly described by name and are packed and marked and are in proper condition for transportation according to the regulations prescribed by the department of transportation.

If shipment moves between two ports by a carrier by  
water, the law requires that the bill of lading shall state  
whether it is "carrier's" or shipper's weight."Note -  
Where the rate is dependent on value, shippers are  
required to state specifically in writing the agreed or  
declared value of the property. -The fiber boxes used for  
this shipment conform to the specifications set forth in  
the box maker's certificate thereon, and all other  
requirements of Consolidated Freight Classification.  
-Shipper's imprint in lieu of stamp, not a part of bill of  
lading, if this shipment is to be delivered to the  
consignee without recourse on the consignor, the  
consignor shall sign the following  
statement:  
Subject to Section 7 of Conditions of applicable bill of  
lading, if this shipment is to be delivered to the  
consignee without recourse on the consignor, the  
consignor shall sign the following statement: The carrier  
shall not make delivery of this shipment without  
payment of freight and all other lawful  
charges.-----
